FLASHING:5hr (100 lm)

LIFESTYLE

CatEyeSYNC
Syncs with other CatEyeSYNC lights and turns on/off all CatEyeSYNC lights with one touch.

CARTRIDGE BATTERY
Cartridge battery is compact and safe to change without any additional tools.

HELMET LIGHT
Designed for helmet use.

360° ADJUSTABLE
Light turns 360° for a multitude of lighting positions.

DAYTIME
Can be used in the daytime.

SIDE VISIBILITY
Provides visibility from the side to increase safety.

FLEXTIGHT™ BRACKET
The innovative and versatile FlexTight™ bracket by CatEye can be quickly and securely fastened to virtually any handlebar or stem. Fully re-usable, the FlexTight™ bracket mounts easily without tools and can be finely adjusted and tightened by hand.

USB RECHARGEABLE
USB rechargeable products recharge the batteries from any USB port.

LOW BATTERY INDICATOR
Alerts when the remaining battery gets low.

BATTERY INDICATOR
Indicates a battery level.
